INFORMATION DISCLOSURE STATEMENT

Sir,

Pursuant to the duty to disclose under 37 CFR 1.56, Applicant submits herewith information for consideration by the Examiner.

The submission of this information is only for the purpose of providing a complete record and is not intended to be construed as an admission that the information antedates the claimed invention, or as an admission that the information is material to patentability or relevant or analogous to the field of the invention.

The right to establish an invention date earlier than the filing date of the claimed invention, and the right to establish that the information is not material to patentability or relevant or analogous to the field of the invention is hereby reserved.

This submission shall not be construed to mean that a search has been made or that there exists no other information as defined under 37 CFR 1.56(a).

It is requested that the Examiner give full consideration to the information identified on the attached Form PTO-1449, and make it of record in this application.

Under the Paperwork Reduction Act of 1995, no persons are required to respond to a collection of information unless it contains a valid OMB control number.

Substitute for form 1449/PTO
